

Stories of Lynn

This term, Hepworth and Tubman Class visited King's Lynn, taking part in activities at 'Stories of Lynn' which holds the old gaol amongst its treasures.

After catching the train to Lynn (exciting enough!), we were met by Rachael, our fantastic guide, who led us on a tour around the Walks and other historical places of interest, telling us tales of how important King's Lynn has been through time and how it has changed.

When we arrived at Stories, we were arranged in groups and took part in various activities: trading, dressing up, sketching and learning about the gaol and famous Fred Savage! Some troublemakers were placed in the pillory but we escaped the ducking stool!

The day was an incredible eye-opener for us all, and a great end to our history-filled year in Hepworth Class. We didn't know there was quite this much on our doorstep!

Thank you to all at Stories of Lynn and Downham Market and King's Lynn stations for all their help! We had a great time and are definitely planning on visits with our families in the future!
