

Art – the illusion of 3D. We have been looking at shape and shading. We used shading and shadow to create the illusion of 3D.

Cross stitch. We learnt how to cross stitch and made some space designs!

P.E cardio drumming. For Children in Need day we used our cardio drumming skills to keep in time with the music!

Science - classification of animals.

We went on an animal and managed to find and classify some arachnids, insects and mollusks.

R.E – creating a religious symbol from clay. We made some clay designs linked to the Christmas story.

History – Trip to Cromwell House. In History we have been learning about the Stuarts and went to Ely to find out more about Oliver Cromwell at his old home.
