

**FON** have been very busy, and you have all been very supportive...we have been very successful selling ice

pops, teas, coffees, and fizzy drinks at all the

events we could! We raised **£168** at our super sports day, around **£300** at the 'Matilda' shows and have been very touched to see how many people have donated ice pops and raffle prizes to help us maximise profit.

Our little **Nel** has been very busy too! He made his first ever appearance at the **Friends and Family Summer Fair** and is very proud to be part of the Nelson family! Who

knew elephants could dance or draw raffles(!) Thanks to parents and staff supporting *Nel*, we have made around **£100** in Nel related merchandise... watch this space for even more to come!
