

Year 3 Knowledge Organiser - The Local Area (Geography)

Vocabulary

Region	An area, especially part of a country or the world having definable characteristics but not always fixed boundaries.
Community	A group of people living in the same place or having a particular characteristic in common.
Scale	Map scale refers to the relationship (or ratio) between distance on a map and the corresponding distance on the ground.
Grid	A grid is a network of evenly spaced horizontal and vertical lines used to identify locations on a map.
Reference	A set of numbers and letters specifying a location as represented on a map.
Environment	The natural world, as a whole or in a particular geographical area, especially as affected by human activity.
Coordinate	A group of numbers used to indicate the position of a point, line, or plane.
