Architect

Design

Pillar or Column

Tower

Dome

Material

Symmetrical

Asymmetrical

In relief

In the round

Frieze

Mosaic

Understand architecture as the art of designing buildings.

Understand symmetry and a line of symmetry as it applies to buildings; observe symmetry in the design of some buildings which are familiar to you and/or the children (you could look at your school, local houses, or focus on the Cathedrals studied previously).

Noting line, shape, and special features (such as columns and domes), look at and consider the following structures in relation to World History.
