

RSHE/PSHE Knowledge Organiser- My Body

In this unit the children will be learning about the scientific names for our body parts. The activities will include labelling the body parts and matching the correct names to the correct part. The children will be expected to be able to name and identify parts on the body both male and female.

Vocabulary
Head
Neck
Shoulder
Knee
Toes
Eye
Ear
Mouth
Nose
Arm
Hand
Leg
Foot
Stomach
Chest
Bottom
Vulva
Penis

Everyone has parts of their body that are private. This means they are not shown to everyone and are often covered with underwear, just as the characters have their private parts covered by underwear.
