

Year 1 Knowledge Organiser- Science - Animals and their needs

Key Vocabulary
Extinct
Herbivore
Carnivore
Habitat
Survival
Extinct Animals: a species or family of animals having no living members on the planet.
Endangered Animals: a specie of animals seriously at risk of extinction.

This term we will be looking at animals and their needs. It is important to know how to look after animals as they are becoming increasingly endangered. This Is The 'Last Generation' That Can Save Nature.
