## Message from the Principal

Dear Parents, Carers and Children,

As the Spring term comes to an end, I would like to reflect back on another busy term and think about how much we all have to celebrate.

Clubs, events and trips have been taking place, all of which are wonderful elements of school life which really do enhance not only the children's learning but also their social and emotional wellbeing. Thank you to everyone who has represented us so brilliantly.

I really need to mention the numerous fundraising events which we have held and the way in which the whole school community has come together to support each and every charity. Your generosity and eagerness to support everything that we do is just incredible. On behalf of myself and the charities, I would like to take this opportunity to say another great big THANK YOU.

I hope that you all have a great Easter break, enjoying time with family and friends, and maybe taste testing a little bit of chocolate! Hopefully there will be some sunny weather so that we can all get outside and enjoy that too. Take care and stay safe, and I look forward to seeing you all back in school on Monday 15th April.

Thank you for your continued support. Best wishes - Mrs Sarah Wilson (Principal)

# Online safety wordsearch

Use this wordsearch to help your child become familiar with terms and words relating to being online.

Are there any words they know the meaning of, and you don't? Ask them to explain them to you. If there are any they don't understand find out about them together.

Use our wordsearch to start a conversation about online safety.

It can feel daunting to talk about staying safe online, but we have advice and support to help at: [nspcc.org.uk/online-safety](https://nspcc.org.uk/online-safety)
